

EGYPT

October 27 – November 6, 2024

Trip Leader Daniel Susenbach

From October 27 – November 6, you are invited to join The Outreach Foundation on a vision trip to Egypt to explore how God is moving in this incredible part of the world. We will be visiting various churches and ministries, along with the spectacular historical sites in the ancient cities of Cairo, Luxor, and Aswan.

We will be working with the Evangelical Presbyterian Church of Egypt (EPCE), which has been a significant partner of ours for many years. The EPCE has long recognized the importance of planting churches in new communities and renovating churches that have stood for almost 100 years. As the population of Egypt continues to increase, the need for new churches increases as well. The population of Egypt is now more than 100 million people, making it the 14th most populous country in the world.

The phenomena of internal migration opened many doors for God's work as thousands of families began moving to mega cities like Cairo and Alexandria. As a result, the need for new churches continues to grow. The Egyptian government will give land for churches in new

cities but the building must begin within three years or the land will revert to the government. This is both an exciting opportunity and a big challenge! In previous eras, churches had a very difficult time obtaining permits to build, or even to make minor repairs. Thus, this season is a "golden window" that the Church in Egypt is trying to take advantage of while it lasts.

We invite you to come and experience the work God is doing in these Egyptian churches and to explore some incredible opportunities for forming church-to-church relationships that will help mobilize your congregation back home into a deeper level of missional engagement.

The cost for this trip is \$2,175 per person for double occupancy (+ \$685 for single occupancy), which includes all in-country costs; including six nights of accommodation in Cairo, all in-country air travel, a three-night Nile cruise from Aswan to Luxor, entrance fees to all historical sites we visit, ground transportation in a private motor coach, and all meals throughout the journey. Participants are expected to book their own international airfare to and from Cairo (CAI). They may wish to purchase personal travel insurance and should bring money for gratuities, drinks, and spending money.

You can apply [online](#) or [print the application and waiver](#) and mail it in. A non-refundable \$150 deposit is required to secure your place.
