

WARNING: Life-Changing Trip!!

Leaders: The trip will be led by Berry and Elizabeth Long and Tom McDow. Berry and Tom are trustees of The Outreach Foundation.

Cost of trip: The cost will be approximately \$4,800. The airfare part, which you pay directly to our travel agent, will be about \$2,200 depending on when you purchase your tickets. The ground costs of visa, lodging, meals, and travel, which are paid to The Outreach Foundation, are expected to be \$2,600 but could change slightly due to situations beyond our control. In addition, you will be responsible for transportation within the USA, immunizations and medical trip insurance.

The Outreach Foundation Trip to Mozambique

June 8—June 18, 2020

PURPOSE

- To visit The Outreach Foundation mission projects
- To strengthen our relationship with mission partners in Mozambique
- To learn from the faith of our African brothers and sisters as we meet, pray and worship together
- To share our common faith together with African Christians as we seek to fulfill the call of Christ
- To open ourselves to God to allow for spiritual growth and transformation

The Outreach Foundation Trip to Mozambique

EXPERIENCE HOLISTIC EVANGELISM IN TETE PROVINCE

Ms. Banda

In Tete Province, Sebber Banda, the Project Director for the Holistic Evangelism Project and public health nurse, will be our guide as we travel from village to village, meeting local Christian leaders and encouraging them in their work. We will experience components of the Holistic Evangelism Project that are supported by Presbyterians through The Outreach Foundation:

- planting and building churches
- digging community wells
- building schools and teacher houses
- training in church leadership and income-producing skills
- improving the lives of the people through health education

PLANTING & BUILDING CHURCHES

The Outreach Foundation has helped the Presbyterian Church of Mozambique establish more than 80

congregations since the 1990's. We will visit some of these congregations, some in grass buildings and some in brick buildings with roofs provided by The Outreach Foundation. With so many new churches and only three pastors, leadership training is essential. We will meet elders and church leaders who have been trained in seminars provided by Sebber Banda and Project Assistant Rev. Carlos Faquione. We will worship with our brothers and sisters in Christ and will be a great encouragement to them as we pray together with them.

COMMUNITY WELLS

Many village women and children spend much of their day walking to a water source to get water for their family's use and often the water is contaminated. We will see wells that

have been dug within the village, freeing up the women's time for their other work and allowing children to stay in school.

SCHOOLS & TEACHER HOUSING

We will visit schools that have been built using funds from The Outreach Foundation. There we will experience the joy of young children who love to learn and love to play with us. We will meet some of the faculty and will see the importance of good teacher housing.

HEALTH MINISTRIES

We will join the people of a village in watching drama presentations by a gifted team organized by Sebber Banda. They will

demonstrate how the villagers learn about prevention of diseases such as HIV/AIDS, malaria and cholera through these performances. We will meet some of the village health assistants that Ms. Banda has trained, providing much needed first aid to the villagers. We also plan to visit a clinic where nearby villagers can get emergency treatment.
