

# RESPONDING TO THE VENEZUELAN CRISIS IN CHRIST'S NAME: A JOURNEY TO COLOMBIA

MAY 22 - 29, 2020

**Trip Leader:**  
**Juan Sarmiento,**  
Associate Director for  
Mission

Last year, The Outreach Foundation supported initiatives to share the love of Christ to Venezuelans by providing meals, groceries, and medicines in over 25 church locations in Venezuela and Brazil. Presbyterians in Colombia are also responding in creative ways to the over 1.5 million displaced Venezuelans that have recently arrived in the country. In this trip you will:

- come alongside churches and ministries that are serving displaced Venezuelans
- gain a better understanding of the critical conditions of

the Venezuelans who are temporarily in Colombia by hearing directly from them

- visit with the Reformed Synod of The Presbyterian Church of Colombia, a family of faith that dates to 19th-century Presbyterian mission efforts

Estimated costs: \$1,000 ground costs + international airfare.
