

Vulnerable Children's Fund *International*

ABOUT OUR PARTNER

More than 153 million children in the world are vulnerable, often without loving caregivers, and living in unhealthy environments. Some are orphans or have families that cannot care for them because of poverty, the impact of war and displacement, or the global pandemic. Some live in institutions that struggle to find resources to meet even basic needs. Many of them suffer from health problems, face mistreatment and abuse, and lack access to education.

THE IMPACT

The Vulnerable Children's Fund supports orphans and vulnerable children in many areas of the world through feeding programs, medical care and trauma healing services, shelter, and education.

Our partners serve with care and creativity to allow these children who may have started with so little, to thrive and grow into healthy young people and adults.

THE OPPORTUNITY

The Outreach Foundation is seeking gifts to support the mission and ministry of the Vulnerable Children's Fund. All gifts of any size are welcomed.
